

INDEPENDENCE DAY CELEBRATION REPORT

AT

ASAD MEMORIAL

TF GRAMMAR SCHOOL ZHOB

Background

“Freedom is a gift, a privilege and a challenge. The 14th august is the most important day in the history of Pakistan. On this fortunate day our country became free after many centuries.

This day remind us the untold sacrifices of the fighters of freedom. We should worship those patriots who shed their blood for achieving Freedom. It was the 14th of August when the Muslims of the subcontinent were able to get a land of their own, where they could live life according to their religion. 14th August 1947, Pakistan gained Independence after remarkable efforts made by Mr. Muhammad Ali Jinnah who was a man of great caliber and had the belief that Muslims could only live happily when they would own a country led by their own people and a country that would be according to the ideology of Islam. The Muslims of the subcontinent gave many sacrifices for several years as they were not allowed to practice their own religion with freedom as they were the minority. However, the efforts made by people like Muhammad Ali Jinnah, Allama Iqbal and Sir Syed Ahmed Khan made sure that their sacrifices did not go in vain and they were able to provide the Muslims an independent homeland. Independence day in any country is like a festival and the people of Pakistan celebrated this festival with enthusiasm and joy. They unite together under the green and white flag of Pakistan and rejoice their happiness with friends and family.

Although the people of Pakistan celebrate the Independence Day with patriotism and great passion, they should remember what the Jinnah's dream was and they should always question themselves whether they have made this country according to his dreams or they have forgotten the reason for the formation of Pakistan.
