THE CHAIRMAN

Dr. Zafar Qadir - the Chairman has a wide experience of project management, public administration and community development. He has been directly responsible for implementing social change during his field deployment in district administration. He has been pro-actively involved in Philanthropic, pro poor and humanitarian interventions in Baluchistan; whereby he successfully launched and nourished Taaleem Foundation Grammar School System as a passion to engineer social change.

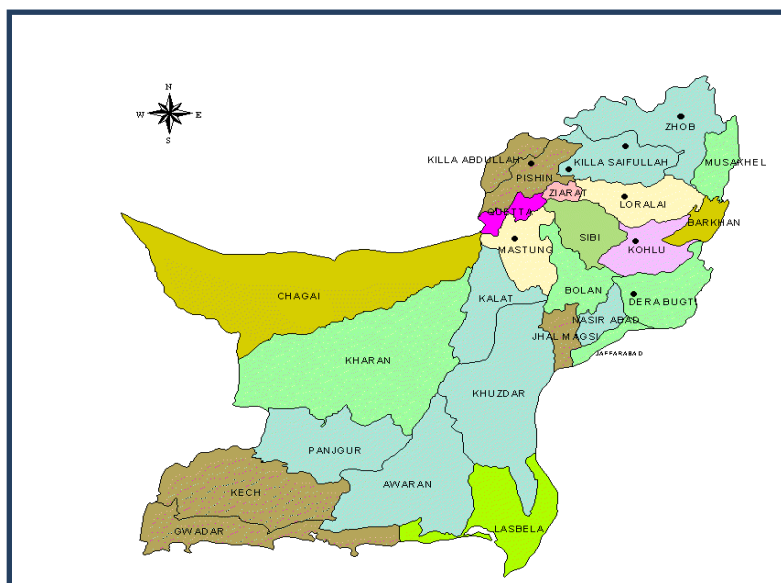

BRIEF HISTORY

Taaleem Foundation is a non-profit and non-governmental community support organization, initially registered under Societies Registration Act of 1860 in Balochistan since 1993 as PAPER (Pakistan Academy for the Promotion of Education and Research) and later renamed as “Taaleem Foundation” in 1998. The organization has further been registered at the federal capital in Islamabad in 2010.

TFGrammar School System thrives on its slogan “Educating social change in the under privileged areas of Pakistan”.

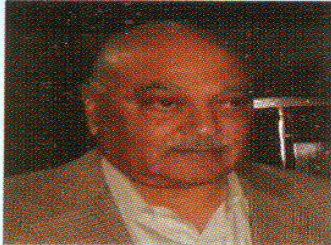

Taaleem Foundation has successfully launched eight quality ‘Grammar Schools’ upto elementary level in the remote tribal areas of Balochistan. The school system employs new teaching techniques imparting high quality modern education in English medium. All schools have co-education setup.

Taaleem Foundation is proud to have encouraged female participation in mainstream education. Besides providing qualified female faculty and women led management in schools, the organization has also introduced a female friendly fee structure, encouraging girls enrolment in mainstream schooling.

TF AT A GLANCE

KOHLU

Kohlu is the northeastern district of Baluchistan, inhabited by Marri tribe. First Grammar school of the organization was established at Kohlu in **1989**. The school has strength of over 500 students with more than 30 staff members. The school comprises of 28 classrooms, library, computer lab, science lab, and a number of on-campus staff residences.

ZHOB

The Kohlu model of Grammar School was replicated in Zhob Cantonment by upgrading Asad Memorial Public School in 1991. The school comprises 20 classrooms, multipurpose hall, library, computer center, dispensary and adequate number of staff residences.

KILLA SAIFULLAH

Killa Saifullah town has a population of over around 30,000 souls. TF Grammar School opened up a branch at Killa Saifullah in 1992. The school is housed in a customized building constructed with the Japanese assistance. The school has the capacity to accommodate 600 students. The facility was developed through the support of the local government and 'Japan International Cooperation Agency'(JICA).

The present premise has 24 classrooms, computer lab, dispensary, playground and adequate accommodation for staff. The distance to Killa Saifullah is 180 km from Quetta, 150 km from Zhob and 420 km from Multan.

MUSLIM BAGH

TF established a school at the hill station of Muslim Bagh in 1993. The school was constructed with the assistance provided by Japan International Cooperation Agency (JICA). The town has a population of about 50,000.

The school is situated in the district of Killa Saifullah and located at 120km from Quetta, 80 km from Ziarat and 480 km from Multan. The school has 20 rooms to impart knowledge to students. It also consists of a computer laboratory and an independent teachers hostel

LORALAI

Loralai town has a population of over 60,000 souls, with the district comprising of nearly 300,000 inhabitants.

TF Grammar School Loralai was established in 1993. The school accommodates more than 600 students.

Loralai is located at a distance of nearly 50 km from Ziarat, 240 km from Quetta and 250 km from DG Khan. The district is well connected by road with Multan, DG Khan, Kila Saifullah, Muslim Bagh and Quetta.

PISHIN

Population of Pishin district is over 300,000 with the town comprising nearly 40,000 souls. TF School in Pishin was established in 1994. The school has the capacity to accommodate over 500 students. The school is equipped with best educational facilities such as computer laboratory, library, science lab, etc. The building has 14 classrooms, a staff room, a multipurpose hall and a lavish playground. With two spacious houses, the school has four apartments and 16-room hostel for unmarried staff. The school is located in a serene environment at the entry point of Pishin town, at distance of 50 km from Quetta.

MASTUNG

TF mandate was further extended to Mastung in 1994, where OryaMaqbool Jan Abbasi- the then Deputy Commissioner Mastung offered to bring his brain child “ Sarawan Public School” in the folds of Taaleem Foundation; and since then has been one of the most important schools of the chain. The school is able to accommodate over 600 students. The school comprises 18 classrooms, auditorium, library, science laboratory and computer laboratory with separate administrative and residential blocks. The school is located on RCD Highway at a distance of 45km from Quetta and 400 km from Karachi.

SUI

Sui is the famous industrial town in District Dera Bugti, known for its natural gas reserves. The town has a population of over 30,000 souls. TF Grammar School Sui was initially established in 1994 within the premises of PPL gas field. Pakistan Petroleum Limited Welfare Trust played a vital role in developing in school and till date is one of the major CSR partners of Taaleem Foundation. The school was shifted into the new building, sponsored and constructed by PPL Welfare Trust in the prime location municipal area in 2006, outside the fence of Sui gas field.

The new building comprises of 22 classrooms with the capacity of accommodating more than 600 students, a science laboratory, a computer laboratory, a library/ arts room and a wide playground.
